

TSUMUGI STUDIO Launches New Mobile Escape Game "Escape Game The Cat Was in the Bedroom"

TSUMUGI STUDIO, an independent game studio based in Fukuoka, Japan, has released its new mobile game, *Escape Game The Cat Was in the Bedroom*, on the App Store and Google Play.

(Image: screenshot from the game)

Escape Game The Cat Was in the Bedroom is a short escape game set in a quiet bedroom on a peaceful day off.

Players explore the room, tap on areas of interest, find items and clues, and solve puzzles to escape.

Game Features

- A short escape game set in a quiet bedroom
- A gentle atmosphere featuring a cat
- Simple tap-based controls
- Classic puzzle-solving using items and clues
- Auto-save support
- Easy to enjoy little by little in short sessions
